

High Cost / Zero Cost Items:

Extra vigilance is required when claiming certain items to be sure that you will be paid correctly, in particular for items that are potentially listed with a zero cost. At the end of every month or before sending the claim, you should run a “Zero Cost” report to make sure the correct price is being submitted for payment. Items such as ULMs frequently tend to show on these reports; therefore, it is important that you retain copies of invoices.

Alleged Forged Prescription

We have been notified of alleged forged prescriptions purporting to be from Dr Brendan Heaney and Dr George Joyce, 104 Lower Rathmines Road, Dublin 6. Prescriptions presented have been made out for Stilnoct 10mg. If you receive a prescription from Dr Heaney or Dr Joyce and you are unsure of the authenticity, please contact the surgery on 01 497 9938.
