

Staff Discount Policy

At Allcare we are delighted to offer our team members a 20% Discount on front of counter items. Please note this discount is not applicable to gift cards or products currently on offer. This means that if there is a discount already on an item in store your staff discount will not apply. Prescriptions are not eligible for staff discount however staff do not pay a dispensing fee.

For example: If skincare has an offer of 33% off., this discount comes off automatically and cannot be combined with any other discount band.

Below are the guidelines;

How do I receive my staff discount?

At Allcare we have a Rewards card programme. When an employee joins Allcare they can sign up and register an Allcare Rewards card. Discount will be applied to your card by Head Office. If you have any questions, please contact the marketing department who will support you with this.

Who can process staff sales?
